SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

**DAKOTA FISCHER,**

**REMINGTON ARMS  
COMPANY, LLC, *et al.*,**

**Defendants.**

**Case No. 2:19-cv-1342**

**JUDGE EDMUND A. SARGUS, JR.**

**Magistrate Judge Elizabeth Preston Deavers**

**OPINION AND ORDER**

The matter before the Court is Defendant Hornady Manufacturing Company's ("Defendant" or "Hornady") Motion for Sanctions against Non-Party Witnesses George Shope and Joshua Gee (ECF No. 40). Mr. Shope has responded (ECF No. 51). This Court previously deferred ruling on the motion until an in-person evidentiary hearing could be completed (ECF No. 54). The danger which necessitated the deferral, COVID-19, continues, and thus the motion (ECF No. 40) remains **MOOT** until the public health risk posed by COVID-19 abates and the motion can be revived.

**IT IS SO ORDERED.**
